

Impromptu

Impromptu

Pacific Southwest Conference 2019

1. Event Description

This year for our impromptu event we are throwing it back to a classic board game, Battleship. However, we are adding a twist and making it lifesize where you will be the ship.

2. Participant Rules

- Each school may enter one team only
- Each team must consist of 4 members
- Each team member must be a registered participant of PSWC 2019
- Each team must have at least one underclassman
- Each team must have at least one female

3. Objective

Sink the enemy “ships” before your team loses all of its ships.

4. Attire

Bring a change of clothes. You will get wet.

5. Rules

- Each player will take up 3 squares on the grid
- One member from each team will play rock, paper, scissors to determine who will throw first.
- The second team to shoot will always have a rebuttal, so that each game ends in an equal number of throws.
- In order for a ship to get sunk, you must hit them in 3 separate grid locations.
 - Hitting the same location on a ship will not count as a second or third hit
- For a hit to count, the water balloon must pop otherwise it is considered as a miss.
- If the water balloon pops within an occupied grid that is considered a hit.
- When throwing a water balloon over the wall, you are only allowed to sit up straight within your occupied grids
- You are not to receive any support from your peers that are watching the event
 - Doing so will result in automatic disqualification from this event
- Once your ship is sunk, you are not allowed to shoot anymore.

6. Scoring

- The target grid of the opponent will be displayed on the wall
- Judges will ultimately make the final call on whether or not a ship has been hit and/or sunk
- In order to win, all opponent's ships must be sunk.
- Winning will allow your team to move on to the next round.
- Once 25 minutes is up for the game, the team with fewer ships sunk will automatically move on to the next round.
- In the event that the teams have an equal amount of ships remaining, the winner will be the team with the most hits
